Our Mission
To be the premier 24-hour congregate living health facility dedicated to serve, help, and enhance the quality of life and well being of our residents.

Our Vision
To be the first choice in 24-hour congregate living health facility, by physicians and patients alike. We aim to deliver the best healthcare that we would Expect for our own families.

- Exceptional quality care
- Unparalleled service and patient experience
- A friendly and relaxed environment to work and reside.

Value
We treat our residents and medical staff with respect, dignity and compassion. Our values are the guiding principles that serve as the foundation for who we are. They are our organizational code of conduct and signify what we stand for.

Providing For Your Needs Around The Clock
Our caring, professional team meets the needs of residents and families. 24 hours a day, 7 days a week. This standard of care is provided in a homelike setting surrounded with breathtaking vistas.

The care of our residents is managed by a team of professionals, including physicians, nurses, a registered dietitian, a pharmacist, a social worker, and an activity coordinator. Physical, occupational, speech, and respiratory therapists will also be available for residents as needed.
Sierra Care At The Lake, LLC will arrange for care by additional medical specialists such as podiatrists and dentists if needed.

Coming Home To Sierra Care At The Lake

Developed in the late 1930’s, this beautiful lake property is nestled in the beautiful foothills of California’s Central Valley. The property has long been a popular landmark for recreation, tranquility and majestic views of the Sierra Mountains. This peaceful retreat is now home to Sierra Care at the Lake.

Our state of the art medical facility provides areas for social activities, quiet leisure, and family visits for up to 12 residents. The 8 private rooms and 2 double rooms have been tastefully decorated and create a cozy home-like environment.

This new residential facility includes a large activity room and a private living room for families to gather. There is a beautiful, modern kitchen and dining area for guests and residents to enjoy a meal together. Our kitchen staff is trained to provide residents with meals and snacks according to dietary needs and/or personal preferences.

A large deck overlooks our private lake with the Sierra Mountains soaring above it. The 30-acre surrounding property provides a park like setting for a leisurely stroll.
