

Our Mission

Sierra Care is dedicated to achieving excellence in nursing services while fostering independence and reintegration with our residents. We perform at the highest standards of care to enhance quality of life and well being, based on each individual's needs.

Our Vision

We aim to deliver the same level of quality care that we would expect for our own family members. Targeting exceptional treatment, unparalleled service, and friendly, relaxed environments.

Our Values

Respect - Love - Comfort - Support

We treat our residents and medical staff with dignity and compassion. These values of Respect, Love, Comfort and Support are the guiding principles that serve as the foundation of who we are. They are our organizational code of conduct, and signify what we stand for.

Pursuant to Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, Sierra Care at the Lake, LLC does not discriminate on the basis of race, color, religion, age, gender, sexual orientation, disability (mental or physical), communicable disease, or place of national origin.

Providing For Your Needs Around The Clock

Our caring and professional team is here to meet the needs of our residents and families 24 hours a day, 7 days a week. We deliver this standard of care at all of our state of the art facilities for anyone who needs a home away from home to recover.

Our highly-skilled team of professionals include: Physicians, Nurses, Dietitians, Pharmacists, Respiratory Therapists, Physical Therapists, Occupational Therapists, Speech Therapists, Social Workers, and Activity Coordinators.

Sierra Care will also arrange for treatment from additional medical specialists such as Podiatrists, Dentists and Optometrists.

Welcome Home to Sierra Care

Our properties are designed to make you feel at home during your short-term or long-term stay with us. Whether you're recovering at one of our gorgeous 30-acre lakeside campuses, or one of our other luxurious, cutting edge facilities, you can rest assured knowing you will be receiving the most personalized and attentive care possible.

Our residents can rest comfortably in their spacious, private or semi-private climate controlled rooms, while our dedicated nursing staff is available around the clock. Each state of the art facility is home to only a handful of residents, allowing our trained professionals to focus on each resident's needs.

Our campuses are also fully equipped for social activities, quiet leisure, and family visits. From tasty meals and snacks carefully prepared for every dietary need and preference, to dining and living rooms for residents and families to gather in, you'll find all the comforts of home at Sierra Care for you and your guests.
